## CHARACTERISTICS

- Special Ipertek Pro non-stick coating. The ultra-smooth layer improves thermal conductivity and is scratch resistant.
- The surface is extra smooth, even to the touch and allows food to slide, guaranteeing excellent non-stick capability and easy to clean.
- Good heat conduction on all sources, even induction, thanks to the stainless steel disc applied to the bottom.
- Lightweight and easy to handle, with ergonomic handles and soft touch covering guaranteeing a secure, steady grip.
- Glass lids with steam vent and spoon rest knob, for better cooking control.
- All TVS coatings are free from nickel, heavy metals and PFOA.
- 5-year warranty
