## CHARACTERISTICS

- The cutting-edge steel handle has been designed especially to stay cool on any heat source, guaranteeing a safe, ergonomic grip.
- Thanks to the steel handles, cooking can also be completed in the oven. If used in the oven, pot holders are recommended.
- The steel disc on the bottom means it can be used on any heat surface, including induction. The brushed bottom is a guarantee of non-slip grip on the cooktop.
- Toptek Pro reinforced interior coating for perfect non-stick qualities and superior easy cooking and cleaning.
- The elegantly combined colours make this perfect from kitchen to table.
- All TVS non-stick coatings are free from nickel, heavy metals and PFOA.
- 5-year warranty.
