CHARACTERISTICS

- Handle with thermal chromatic sensor: green means it's ready to cook, for perfect results and optimised energy use.
- Steel disc bottom for perfect use on any heat surface, including induction.
- + 400% stronger, thanks to the ultra-hard Titanium base, which gives it a much longer-lasting non-stick performance
- + easy cleaning by hand, thanks to superior non-stick quality and ultra-resistant to make it perfectly dishwasher safe.
- + stylish, thanks to its stainproof qualities.
- The TVS non-stick coating is 100% free from nickel, heavy metals, PFOA and PFOS.
