

WHY BUY?

ARCO induction

IT'S DESIGNER

This cookware has the signature of Giugiaro Design, an icon in Italian design history.

IT'S PRACTICAL

Because the whole range offers the items needed to cover every cooking need.

IT'S VERSATILE

The line works on all heat sources, including induction.

IT'S PROFESSIONAL

Its contemporary look and high-tech heart are a guarantee of quality that is built to last.

IT'S ORIGINAL

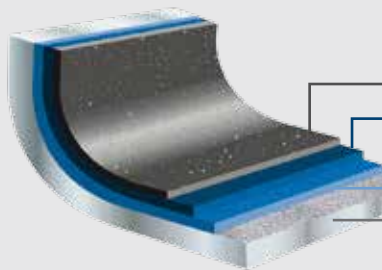

Its circular shape melds into the handle to create a look and ergonomic style that are absolutely unique.

IT'S HIGH PERFORMANCE

From today, it is even stronger, thanks to PlusTek non-stick coating with its ultra-resistance to scratching and abrasions.

NON-STICK COATING (3 LAYERS)

- 3. Non-stick finish
 - 2. Intermediate layer of coating used to reinforce the non-stick coating
 - 1. Base primer
- Sandblasted aluminium

FOR YOUR SAFETY.

The TVS Quality Management System is certified and every product is designed, tested and checked to make sure of absolute suitability for use with foods and the safety of its non-stick coatings.

FOR YOUR WELLBEING.

All TVS coatings are free from Nickel, heavy metals and PFOA!

FOR SUSTAINABILITY.

The high-gauge aluminium body guarantees excellent heat diffusion and great temperature stability. This means great energy savings for the environment and the economy.
