

WHY BUY?

mineralia

OUR MOST POPULAR

Out of all the lines with mineral coating, this is our best seller; try it and you'll see why!

IT'S ORIGINAL

The first of TVS' lines to offer Quarzotek coating with mineral particles for a better, longer-lasting performance.

IT'S NEW

And it's back with a larger range and a new thermal sensor.

IT'S POWERFUL

Unique non-stick qualities, unbeatable resistance and the easiest cleaning ever seen before, are characteristics you won't be able to do without.

IT'S SAFE

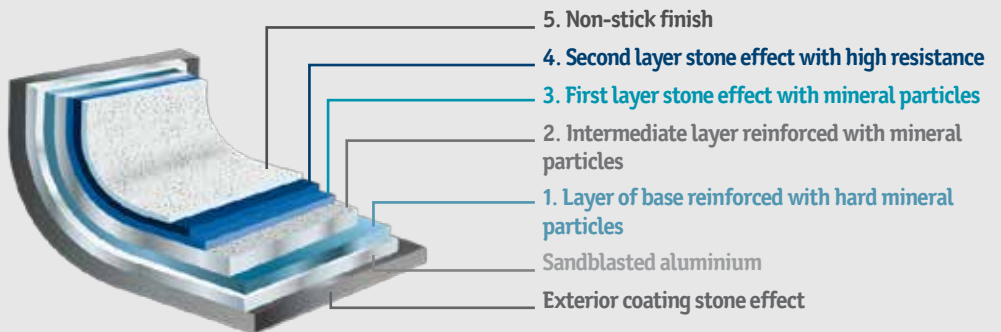

Like all TVS lines, it contains no PFOA, lead or cadmium, and is also perfect for those with nickel intolerance or allergies.

IT'S COMPLETE

A collection to satisfy all cooking needs, complete with bakeware items.

NON-STICK COATING REINFORCED WITH MINERAL PARTICLES (5 LAYERS)

FOR YOUR SAFETY.

The TVS Quality Management System is certified and every product is designed, tested and checked to make sure of absolute suitability for use with foods and the safety of its non-stick coatings.

FOR YOUR WELLBEING.

All TVS coatings are free from Nickel, heavy metals and PFOA!

FOR SUSTAINABILITY.

The high-gauge aluminium body guarantees excellent heat diffusion and great temperature stability. This means great energy savings for the environment and the economy.
