

WHY BUY?

SOUND

IT'S DESIGNER

Created by Takahide Sano, famous Japanese designer.

IT'S SUSTAINABLE

It can cook several foods at the same time for a more rational use of energy when cooking and also when cleaning.

IT'S UNIQUE

Exclusive and versatile an intelligent solution for cook tops and even when it comes to storage.

IT'S PRACTICAL

It can be used to prepare a larger amount of food compared to other cookware and to use space as needed.

IT'S MULTIPURPOSE

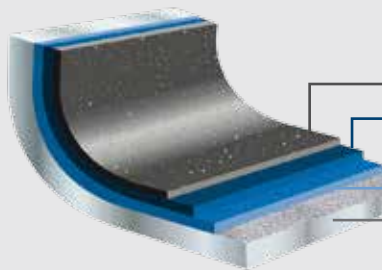

Sound is a matchless multipurpose pan: a grill on one side and a grill plate on the other.

IT'S SAFE

Like all TVS lines, it contains no PFOA, lead or cadmium and is also perfect for those with nickel intolerance or allergies.

NON-STICK COATING (3 LAYERS)

- 3. Non-stick finish
 - 2. Intermediate layer of coating used to reinforce the non-stick coating
 - 1. Base primer
- Sandblasted aluminium

FOR YOUR SAFETY.

The TVS Quality Management System is certified and every product is designed, tested and checked to make sure of absolute suitability for use with foods and the safety of its non-stick coatings.

FOR YOUR WELLBEING.

All TVS coatings are free from Nickel, heavy metals and PFOA!

FOR SUSTAINABILITY.

The high-gauge aluminium body guarantees excellent heat diffusion and great temperature stability. This means great energy savings for the environment and the economy.
