

WHY BUY?

tea

IT'S DESIGNER

The unique style is by Studio Eikon

IT'S UNIQUE

Because every style detail is also a practical feature.

IT'S ECLECTIC

Die-cast aluminium body, next-generation non-stick coatings and ceramic elements, in a mix of materials that creates the essence of inimitable design.

IT'S VERSATILE

Perfect from oven to table. Tea is great for traditional recipes but also for fusion cuisine.

IT'S RELIABLE

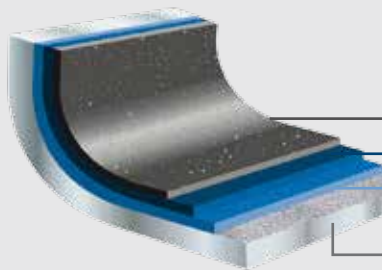

Ceramic and high-gauge aluminium with Toptek non-stick coating, are an excellent scratch- and abrasion-proof solution.

IT'S SAFE

The handles and special non-slip bottom are a guarantee of easy grip and great stability on heat surfaces.

NON-STICK COATING REINFORCED WITH ULTRA-HARD MINERAL PARTICLES (3 LAYERS)

- 3. Non-stick finish
- 2. Intermediate layer
- 1. Layer of base coating reinforced with hard mineral particles
- Sandblasted aluminium

FOR YOUR SAFETY.

The TVS Quality Management System is certified and every product is designed, tested and checked to make sure of absolute suitability for use with foods and the safety of its non-stick coatings.

FOR YOUR WELLBEING.

All TVS coatings are free from Nickel, heavy metals and PFOA!

FOR SUSTAINABILITY.

The high-gauge aluminium body guarantees excellent heat diffusion and great temperature stability. This means great energy savings for the environment and the economy.
